

PERSONAL CONFESSION, STATEMENT, EXPERT OPINION

I, _____ ,

born on _____, in _____ confess:

My BODY is a GIFT OF GOD. I belong to GOD and nobody can snatch me from the hand of GOD or rule over me and I glorify GOD with my body:

§ 1 Corinthians 7:23 "CHRIST has ransomed me; I now belong to Him alone. I will not be enslaved by men again."

§ John 10:28 "I will never be lost, and no one will snatch me out of the hand of my GOD."

§ 1 Corinthians 6:20 "I have been bought at a price. I now glorify GOD with my body!"

§ Acts 24:16 "For this reason, I also strive to conduct myself in every situation so that my conscience is clear before GOD."

Wearing a mask is forbidden for me, because the rebreathing poisoning by CO2 harms my body given by GOD, for which I carry responsibility.

A **PCR test** (DNA test) without my consent is against the law, and my DIVINE DNA is nobody's business.

Vaccination that does not protect is excluded, and my DIVINE DNA must not be affected or destroyed by m-RNA vaccination. I also do not support murder and I live vegan/vegetarian. These vaccines contain cell lines from aborted live fetuses: embryonic cell lines that may only be used for research purposes and are not suitable for human use.

Into my body no poison and also no cell lines of aborted fetuses and the like are allowed, because my body is the temple of GOD and GOD and CHRIST JESUS dwell in me.

I confess to no church and to no government.

I confess to GOD and CHRIST JESUS.

The Bible says: "One must obey GOD more than men." Acts 5:29
GOD and I are the majority.

All these earthly things, which pollute my body, stain and damage, I reject vehemently from pious, biblical and God given reasons. They are against my faith and against my conscience. This certificate proves it.
